

**SCISA**

Soluciones Avanzadas  
de Software para su Negocio

To our Clients and Friends;

It's a great joy to make of your knowledge the image change in the logo of our company, witch has been modernized to better transmit the push towards a more flexible and more dynamic response in our software development, a better job in working closer with our clients to obtain better results and fulfill their needs more satisfactorily.

Hoping for an excellent 2008 for all of you, we send you our kind regards from all of us working at SCISA.

Kindly

Personnel and board of directors  
Sistemas Computacionales Integrales, S.A. de C.V.
